

Stuart Hagyard

Business Systems Manager, Princes Group
Chairman of Supply Chain Management (SCM) Special Interest Group

At the Princes Group, Stuart leads a team of business analysts, which together are responsible for the design, implementation and delivery of business process solutions – all of which have SAP and related applications at their core.

Stuart has worked with SAP software since 1997, and has partaken in several full project lifecycles in the UK and overseas for the Princes Group. His vast experience includes configuration of the Materials Management (MM), Production Planning (PP), Quality Management (QM) and Sales and Distribution (SD) modules. Stuart is also well versed in implementation, process improvement and upgrade project management.

Stuart, an MBA graduate, is proud to have been actively involved with the UK User Group for several years and is looking forward to chairing the Supply Chain Management SIG.
