

Glynn Lowth

Senior Manager BASF IT Services; Chairman of SAP UK & Ireland User Group

Glynn is a senior manager at BASF IT Services Ltd, where he is responsible for SAP development and support in the UK, Ireland and Scandinavia, for both BASF and third-party customers.

He has previously held a number of commercial, financial, and IT positions in the pharmaceutical industry, and at a major High Street retailer. He has been responsible for many large and complex international business and IT projects, as well as providing SAP services to customers in a wide range of industries.

Glynn is Chairman and a Director of the UK & Ireland SAP User Group, in which position he has overseen the significant improvements that have been made to the Group's structure and operations since taking up the post in 2001. In addition, he has developed strong links with SAP User Groups around the world.

Glynn is a Chartered Management Accountant, and is the global Deputy President of CIMA, the Chartered Institute of Management Accountants.
