

Mike Dean
Director and Treasurer, SAP UK & Ireland User Group.

Mike plays a crucial role in the maintenance and development of the SAP UK and Ireland User Group. As Director and Treasurer since 1995, he assists in ensuring the survival of the group through management of its finances. Most significantly, he developed the group into a limited company giving its members much greater financial security.

Mike has a wealth of experience and knowledge in the workings of SAP having been an active member of the Group since 1993 and involved in the SAP world for the past 13 years.

Mike gained some of this expertise through his role in the initial project management of the R/3 Finance and Procurement Project for Cadbury Limited in 1994, before he left to join Plaut Consulting as a project manager. He accepted his role of Director at Pecaso (now part of Accenture) in 2002.
