We are a digital hub between Europe and America, with the mission to transform our client's business, directing their technological investments towards the future, improving their income statements, revenue and value

+ OUR STRATEGY | STRATESYS PLAYBOOK

CUSTOMER CENTRIC

Stratesys' mission is to transform our client's business, directing their technology investments towards the future, helping to improve their income statements, revenue and value.

EUROPE-AMERICA TECHNOLOGICAL HUB

Our solid presence and powerful team of 1,800+ professionals, deployed in Europe and America, positions us as a global provider with a technological 'hub' vision between both continents.

SOLUTIONS BY STRATESYS

We have a catalog of differential and specialist SW solutions, (by Sector / by C'Level), which we have successfully implemented in multiple leading companies in their respective industries.

FULL STACK FOR INDUSTRY

Our multiplatform proposal, adapted to each industry, allows us to define, implement and evolve unique technological and digital strategies in each sector in which our clients operate.

PARTNERS & STARTUPS ECOSYSTEM

We are an expert company in various technologies such as SAP, OpenText, Salesforce, Microsoft and other software providers that are part of our partners ecosystem.
