

The State of Worldwide SAP Testing

The Business Assurance for SAP Report

State of Worldwide Business Assurance for SAP solutions

Results from the 2026 State of Worldwide Business Assurance for SAP solutions report from Tricentis, Capgemini, and Sogeti

See what's working for 500+ SAP leaders as they migrate to S/4HANA. In our third Business Assurance for SAP Solutions report, we examine how SAP teams are leveraging continuous testing, automation, and AI to de-risk change and accelerate releases, all while navigating the complexities of SAP cloud transformation.
