Transformation NOW! 2024

The 2024 Conference

NTT DATA Business Solutions and our customers are leading the way in adopting the latest SAP innovations that are powering the Intelligent Enterprise. Transformation NOW! 2024 is your ticket to witness this first-hand. We're spotlighting the trailblazers, unveiling the latest SAP applications, and highlighting how we, along with our partners, are crafting a digital future together.

The conference will be packed full of inspiring keynotes with a streamed agenda featuring; inspiring customer case studies, interactive round table discussions, industry themed debates, exhibition area for our sponsors, dedicated area to meet with SAP Innovation Experts, and our complimentary drinks reception.

Feedback from the SAP Community on previous events:

“

Really liked the format, lots of great streams, great staff to talk to as well - Can't wait for next year!

The conference was outstanding and without doubt a fantastic networking opportunity.

The sessions were excellent, and your guest speaker blew me away.

A hugely impressive event executed brilliantly.

I was really impressed by the conference. I think NTT DATA Business Solutions are simply in another league.

The event was brilliantly organised, and the sessions were very informative.

Good networking with interesting topics.
