These Information Days will be of particular interest if you are a SAP Program or Support Manager who wants information and/or support for the following;

- Developing a clear IT Strategy
- Assessing the quality of your SAP system
- Providing support and assurance for your SAP Projects
- Efficiently upgrading your SAP system
- Optimising your IT landscape
- Hosting your SAP solution
- Reducing your testing timescales and costs
- Improving your batch scheduling
- Minimising your Business Risk and TCO

How to register:

Web: www.conference-office.co.uk/consulting

Email: consulting@conference-office.co.uk

Phone: +44 (0)20 8398 6675

Please note that this is a complimentary customer event and, due to space constraints, is not open to partners.

The Agenda will be formatted in such a way that these events will appeal to those companies wishing to hear about some exciting new services and products. In addition, delegates will have the opportunity to have 1:1 discussions with the experts and really gain full benefit from the day.

The first event on 3rd April will commence at 09.00hrs and finish at approximately 15.00hrs. A detailed agenda will be included with your confirmation details.
