

HR Special Interest Group

Meeting to be held on Wednesday 4th March 2009

At Bluefin Offices Liverpool

AGENDA

09:30	Registration & Coffee	All
10:00	Introduction & Welcome	Andy Wall Chair
10:05	Structure and Strategy of the User Group	Andy Wall
10:15	Round the Room Introductions	All
10:25	SAP Business Intelligence (BI) & Business Objects integration with SAP HCM This session will provide an overview of the SAP Business Intelligence (BI) and Business Objects products and integration. It will provide a brief overview on how you can use SAP HCM and SAP BI together to help your organisation communicate information more effectively. There will be a customer case study to illustrate how these toolsets are working together using the Business Objects Xcelsius dashboards.	Tony Harper Bluefin
11:10	Coffee & Networking	
11:40	Don't miss out on Talent in your organisation – look closer to home to ensure your business continues to move forward. Use the tools of SAP HR to help you find and develop Talent within your organisation whilst economic doom and gloom gives you a headcount freeze. Hear a customer case study on how a service organisation has managed to achieve this capability with a simple solution using their existing 4.7 system.	Natasha Robinson Bluefin
12:25	2008 Conference Review	Andy Wall
12:35	Lunch & Networking	All
13:35	The design and implementation of Warburton's competency framework This presentation will cover how Warburtons set about defining the competencies required across their business, how these were assigned to job families within the organisation and the challenges and successes with the implementation.	Helen Radcliffe Warburtons
14.20	Breakout Session	All
15:00	Any Other Business / Close	All

We reserve the right to change the agenda at any time
