The Edrington Group |
| 10:25 | SAP Upgrade 4.6C to ERP 6. - The Edrington Group experience
This is an overview of how we did the upgrade, what issues we encountered and how they were resolved, and what we learned in the process, with time for questions. | Susan Allan
The Edrington Group |
| 11:10 | Coffee & Networking | |
| 11.40 | The latest strategy from the SAP Global Upgrade office
An update on the latest SAP Upgrade Strategy. The presentation will discuss the latest information on ERP 6.0 Upgrades, the application of SAP Enhancements Packages and how the launch of the new SAP Business Suite will enable customers to plan their SAP application strategy and roadmap around a full set of upgraded applications. | Mike Longden
SAP |
| 12:25 | 2009 Conference Update | Craig Dale
SAP User Group |
| 12:35 | Lunch & Networking | All |
| 13:35 | The Use of SAP WM in Whisky Production Processes
This is an overview of the production process but with special emphasis on how Warehouse Management is used for control of the dry goods warehouse - goods inwards, and the cased goods warehouse - finished products. | Steve Smith
The Edrington Group |
| 14:35 | Upgrades: Perceptions, Challenges and Reality
Customers considering an upgrade have a number of perceptions about the challenges of an upgrade. This presentation will consider these perceived challenges and give suggestions on how to overcome and manage them, with examples of real project experiences | Hilary Mason
Atos Origin |
| 15:20 | Whisky Nosing Session
Edrington's Head of Brand Education for Highland Park Malt Whisky will host an interactive nosing session on the Highland Park range of whiskies, where you will be able to test your own sense of smell! | Gerry Tosh
The Edrington Group |
| 16:05 | Close | All |
