At SAP UK Ltd, Clockhouse Place, nr Heathrow

AGENDA

- | | | |
|-------|--|------------------------------|
| 09:30 | Registration & Coffee | All |
| 10:00 | Introduction & Welcome | Mike Reaney MSM SIG Chair |
| 10:05 | Round the Room Introductions | All |
| 10:15 | Enhancements, BAdIs and exits changing standard SAP functionality Over the years, numerous technologies have been developed to allow customers to change standard SAP development objects. This session explains the options available, including the latest and possibly ultimate incarnation : the enhancement framework. | Roger Sainsbury SAP |
| 11:00 | Coffee & Networking | All |
| 11:30 | Electronic Device History Record (eDHR) at CareFusion A Simple but Brilliant Solution This presentation highlights the electronic device history (eDHR) solution that is being used for CareFusion's Infusion and Dispensing business. The solution uses standard functionality from the SAP ERP application, as well as extensive use of bar coding and two-way integration to test equipment and device data over an infrared port (IR). This session discusses the global design that was used to incorporate the unique needs of CareFusion International in the U.K. as well as a following implementation at U.S. operations in San Diego. | Richard Adams CareFusion |
| 12:30 | 2009 Conference Review | Craig Dale User Group |
| 12:45 | Lunch & Networking | All |
| 13:45 | ArcelorMittal Drives Global Environmental Performance with IHS The presentation will show how the IHS Environmental Management Information System (EMIS) was utilized by the world's largest steel company – ArcelorMittal to manage EU-ETS compliance, as well as achieve a single homogenized view of Environmental Performance across the organisation. | Chris Methven IHS |
| 14:15 | Maximizing Cost Savings in your MRO Inventory This short presentation will consider how you can, creating your own economic stimulus package and recapturing profit with effective MRO Inventory Management strategies. I will present a case study of the benefits of MRO Inventory Optimisation at an integrated metals company. | Tim Moxey IHS |
| 14.45 | Open Forum session | All |
| 15:30 | Any Other Business /Close | All |
