10:05	Round the Room Introductions	All
10:15	User Group Update	Adam Cundell User Group
10:45	Coffee & Networking	All
11:15	Usability and Efficiency — How to drive costs out of your business using Winshuttle 10	Evan Schulz Winshuttle
	<p>Winshuttle lets users work with SAP using the applications and interfaces they prefer. Our latest product family, Winshuttle 10, brings all of our products onto the same release schedule. In addition, Winshuttle 10 features several new products and our first authoring suite, Winshuttle STUDIO. Winshuttle 10 enables business users to work with SAP solutions directly from Excel, Web forms and other interfaces without any programming.</p> <p>This session will provide an overview of the capabilities of Winshuttle 10 and share examples of the real benefits customers have realized through the use of Winshuttle Applications</p>	
12:15	Promotion Management for Retail – Plan, Create and Execute more profitable Promotions	Louise Stevenson SAP
	<p>With the SAP Promotion Management for Retail application, those involved with planning, creating, and executing your promotions can collaborate more efficiently and develop more effective and profitable promotions. The software empowers your merchandising managers with better decision-making tools and liberates your advertising staff with improved productivity tools that reduce the promotions timeline</p>	
13:15	Lunch & Networking	All
14:15	Open Forum and discussion on future topics for this SIG	All
15:00	Any Other Business and Close	All
