

ALM-Testing Special Interest Group

Meeting to be held on Tuesday 22nd March 2011

At SAP UK Ltd, Clockhouse Place, nr Heathrow

AGENDA

- | | | |
|--------------|---|--|
| 09:30 | Registration & Coffee | All |
| 10:00 | Introduction & Welcome | Richard O'Donnell,
Stand-in SIG Chair |
| 10:10 | Taking a look at Application Lifecycle Management Testing
We will explore the world of testing in this session, looking specifically at the testing tool portfolio. This presentation looks at how through maximising your testing toolkit you can deliver faster, more cost effective testing of a high standard. Showing you how you can bring your toolsets together to get the most out of your testing tools & how to manage them throughout the lifecycle. This session will refer to relevant problems, real customer examples and provide you with useful and actionable advice which can be used to bring time and cost savings plus quality and risk mitigation to your business and include a live demo of SAP Quality Center by HP. | Matt Pickin
Experior |
| 11:10 | Coffee & Networking | All |
| 11:40 | User Group Update
