13:00	Lunch and Networking	All
14:00	User Group Update	Adam Cundell  User Group
14:30	<b>SAP UKI Testing will present Transform Manual Testing with HP Sprinter</b>  From this session you will gain an insight into HP Sprinter, a rich and powerful tool that can dramatically increase ROI by simplifying and accelerating manual testing. Learn about the benefits of using HP Sprinter in comparison to 'native' manual testing approaches. You will see how HP Sprinter improves collaboration between QA and development with improved defect communication, how it reduces the need to perform repetitive steps and minimise testing effort to run the same test on multiple configurations. If you are interested in gaining an insight into a new generation of test methodology, then this session is not to be missed.	Bina Parmar  SAP
15:15	Any Other Business & Close	All
