

Project Systems Special Interest Group

Meeting to be held on Tuesday 6th October
At Selex ES Ltd, Sigma House,
Christopher Martin Road, Basildon, Essex, SS14 3EL

AGENDA

09:30	Registration & Coffee	All
10:00	Introduction & Welcome	Graeme McNaught SIG Chair
10:05	Round the Room Introductions	All
10:15	User Group Update Information on this year's annual conference.	Matthew Dale User Group
10:30	Customer Influence Update	Graeme McNaught SIG Chair
11:00	Data Dive Selex will present how they structure projects in PS. Guy will present all the possible data elements and their "classical" usage. This session will be an interactive session including time for attendees to share how you structure your projects in PS.	Graeme McNaught, Selex & Guy Spaven, SAP
12:00	LUNCH & NETWORKING	All
12:45	Tour of Selex During the day there will be an opportunity to take part in an interactive demonstration of Selex ES's 3D Virtual Environment capabilities. A number of the products that are designed and manufactured on the Basildon site will also be on display during the day, including their vehicle situational awareness system, the Enforcer Remote Controlled Weapons Station as well as other thermal imaging solutions.	All
13:30	Reporting Round-up Historically getting data out of PS in anything other than the standard tabular reports has been quite challenging. Different people have tackled it in different ways: BW, ABAP, Excel, Third Party tools. Selex will present how they report PS data. Guy will give a short overview of the current reporting options including Lumira and HANA. Again this session will be an interactive session and we would like you all to share how you have tackled this problem.	Graeme McNaught, Selex & Guy Spaven, SAP
14:15	Open Discussion This session is an opportunity to air any issues you might have and seek support from both SAP and other attendees.	All
15:00	AOB & Close Action and Summary of the Open Discussion along with any other business.	All
