

# Business Intelligence Special Interest Group

Meeting to be held on Tuesday 8<sup>th</sup> September

At National Grid, Warwick Technology Park,  
Gallows Hill, Warwick, CV34 6DA

## AGENDA

09:30	<b>Registration &amp; Coffee</b>	All
10:00	<b>Introduction &amp; Welcome</b>	Michael Lescun SIG Chair
10:05	<b>BusinessObjects moving to 4.1</b>  This session will explore the journey National Grid have taken moving from Business Objects 4.0 to a fully extended BusinessObjects 4.1 and HANA side car to utilise real-time dashboards and agile development.	Daniel Senter & Phillipa Parkes  National Grid
11:05	<b>User Group Update</b>	Craig Dale  User Group
11:30	<b>COFFEE &amp; NETWORKING</b>	All
12:00	<b>Unlocking true enterprise agile BI with Birst</b>  Businesses want to benefit from the value of delivering BI projects through an agile approach but are finding it increasingly difficult to align their on-premise BI platforms to fully execute this way.  Learn how Birst's cloud based 2-tier BI platform enables you to unlock and embrace true enterprise agility for analytics within your business, complementing existing data warehouses, such a BW, by allowing new, existing and multiple data sources to be available to your consumers via the Birst User Data tier.	AgilityWorks Ltd
12:45	<b>LUNCH &amp; NETWORKING</b>	All
13:30	<b>Best Practice in SAP License Management</b> <ul style="list-style-type: none"><li>• SAP Business Intelligence (BOBJ) licensing</li><li>• Basic concepts</li><li>• Licensing metrics (named user, concurrent session, CPU)</li><li>• Legacy and current models</li><li>• Software governance</li><li>• Case Study</li></ul>	Graham Brammall & Ian Machin  SAP
15:30	<b>How can we help you get best value from your software</b>  Feedback session, looking at how we can tailor our other future SIGs, where applicable, to meet your requirements.	All
16:00	<b>Any Other Business &amp; Close</b>	All
