

# Analytics Symposium

Meeting to be held on Wednesday 25<sup>th</sup> April 2018

At Aston Villa Football Club

Birmingham, B6 6HE

09:30	<b>REGISTRATION &amp; COFFEE</b>	ALL
10:00	<b>Introduction &amp; Welcome and User Group Update</b>	John Weikert & Craig Dale UKISUG
10:20	<b>SAPs Analytics Digital Strategy</b>  Analytics is no longer just about better decisions, it's now at the heart of new digital business models, and new technology opportunities are breaking down traditional barriers to getting the full value of BI & Analytics in your organisation. Hear about SAP's overall analytics strategy.	Timo Elliott SAP
11:05	<b>Coffee &amp; Networking</b>	All
11:30	<b>SAP Datahub - The conduit to higher level analytics</b>  Data powers knowledge, insight and action. The challenge is getting the right data into the reports with the shortest pipeline, alongside automating actions from your data. Chris Kernaghan, SAP Mentor and data expert, looks at how you can improve data access by shortening data pipelines. Using SAP Analytics Cloud and BusinessObjects, he will demonstrate how data sources can be fed by SAP Datahub to provide insight and drive actions, opening a whole world of possibilities to you when it comes to real time data, data life cycle management, as well as reporting.	Chris Kernaghan Bluefin
12:15	<b>Tour of Aston Villa Football Club</b>  Soak up the atmosphere and walk in the footsteps of Villa's finest players, both past and present, in an amazing experience which highlights the club's proud history.	All
