AGENDA

13.15-14.15	The Value of Community and how to build it <p>Few people make the type of impact in a community that has been made by Carl Lewis. In 2016 Carl participated as the lead author of a new book for users of SAP Business One. This book is by far the largest and most complete publication ever related to SAP Business One.</p> <p>As the Program Chair of the ASUG (Americas SAP User Group) Business One Special Interest Group (SIG) Carl extends that role around the world. It has been his personal mission to create and grow this community and he wants to share his experiences on how he was able to bring SAP, ASUG, Resellers, SSPs and customers, all related to SAP Business One, together for education, networking and influence.</p>	Carl Lewis Business One Expert and Author
14.15-15.00	SAP Business One 9.3 Roadmap <p>Learn about the new features and enhancements with 9.3 and take a look at the short to medium term SAP Business One roadmap</p>	Frederic Bada - SAP Senior Product Expert and Enablement Manager
15.00-15.30	Refreshment Break: Exhibition Hall	All
15.30-16.30	Recon of Important GL Accounts <p>One of the least understood impediment is knowing how to verify and reconcile important GL Accounts to actual transactions. In this session, we will concentrate on the Inventory Audit Report, Inventory GL Accounts, and how to quickly identify and correct discrepancies. Although this session will cover only Inventory, the processes can be used for any area in SAP B1. Handouts, SQL, and documented processes will be provided to all attendees to take back and use in their own business setting</p>	Zal Parchem Independent Consultant
16.30	Wrap Up and Close	All
