10:15	SAP Introduction	Colin Colegate SAP
10:20	SAP S4 HANA Cloud – The Case for Change	All
10:30	S4 overview to cover: <ul style="list-style-type: none">• Look and Feel• Insight to Action• Research Accounting	Martin Parry SAP
11:00	Coffee & Networking	All
11:30	SAP S4 HANA Cloud reporting	SAP
11:45	SAP Ariba – The Future of Procurement	Robert Rooney SAP
11:55	SAP Ariba – Guided Buying/Requisition Demo	Robert Rooney SAP
12:15	Accelerate S/4HANA deployment into the cloud Leverage the simplicity of S/4HANA Cloud with the flexibility of SAP Cloud Platform to accelerate S/4HANA implementation for universities and reduce the total cost of ownership.	Matt Riches & Aninda Roy Agility Works
13:15	Lunch & Networking	All
14:15	Model University Workshop Part2 Continuing from the last HERSIG Model University Session, we will demonstrate a way of displaying the model, and opportunities for making it useful to HERSIG members – letting them easily show how their institution compares to the model. We would like each member institution to talk through how you might like to use it, what they would want from the model, and how it could support our wider ambitions of a shared understanding of HE institution's SAP use and a platform for cooperation and collaboration and information sharing.	Leighton Joskey SIG Chair
16:15	Close	All
