

Meeting to be held on Tuesday 10th September 2019

At SAP Clockhouse Place, Bedfont Road,
Feltham, Middlesex, TW14 8HD

AGENDA

10:00	Registration & Coffee	All
10:30	Introduction & Welcome	Steve Rumsby SIG Chair
10:35	UKISUG Update and conference update	UKISUG
10:50	Delivering the Intelligent Enterprise - a Customer example of extending SAP S/4HANA using the latest tools and methods <i>We will walk you through the journey from initial business problem identification, to field research, user centred design, rapid prototyping and eventual acceptance and adoption of the user-centred solution.</i>	Ivan Umavassee Itelligence
11:45	Coffee & Networking	All
12:15	SAP S/4HANA User Experience Transformation Journey <i>Come to this session to understand what tools and best practices are available to make sure your Fiori UI is what everybody is waiting for: a simple, role-based, delightful new user experience.</i>	Marysol Mantilla SAP
13:15	Lunch & Networking	All
14:15	Accelerated Fiori Reporting - from CDS Views to Launchpad and Everything in Between <i>Rafael will show you how to create a CDS view and expose that CDS view in the Fiori launchpad so all your users can use it to build their own reports. With this you can accelerate your S/4 experience and produce powerful reports simply and easily so your users can be more productive.</i> <i>This will be run as a hands-on session, with Rafael leading you through exercises you can follow along with on a demo system using your own laptop. It is not necessary to follow the exercises to benefit from the session, but if you wish to you will need to bring your own laptop.</i>	Rafael Miranda Itelligence
16:15	Close	All
