Ordnance Survey, Romsey Road, SOUTHAMPTON, United Kingdom, SO16 4GU.

How to get to Ordnance Survey

Ordnance Survey and the OS Symbol are registered trademarks of Ordnance Survey, the national mapping agency of Great Britain.
 National Rail is a registered trademark of The Secretary of State for Transport.
 South West Trains is a registered trademark of The Director of Passenger Rail Franchising.

How to get to Ordnance Survey

by rail

to Southampton Central Station

There are regular services from Waterloo and stations on the South West Trains® network.
Please contact National Rail® Enquiries for details.

Taxis are available outside both station exits.

The journey time to Ordnance Survey is approximately 10 minutes.

Buses to Ordnance Survey stop near the platform 1 exit.

The journey time is about 20 minutes, alighting at Maybush Corner.

by coach

to Southampton Coach Station

Scheduled coach services connect Southampton with London and major towns.

Taxis are normally available; the journey time to Ordnance Survey is about 15 minutes.

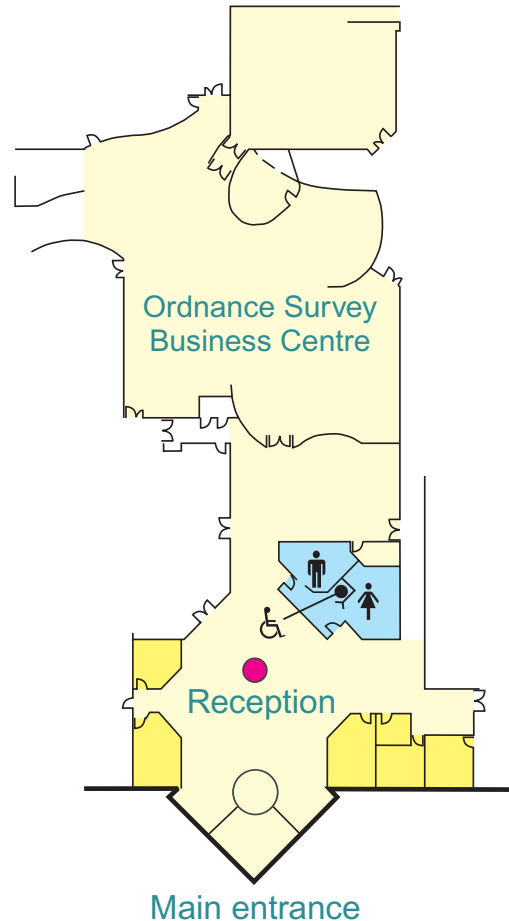

by air

to Southampton International Airport

There are regular air services to Southampton, both domestic and European.

Taxis are available outside the terminal.

The journey time to Ordnance Survey is approximately 15 minutes.

by car

Please note

In support of Ordnance Survey's delivery of our Environmental Management System and Travel Plan, we encourage staff and visitors to use alternative forms of transport than the car. We also seek to reduce the impact on the local residents and actively discourage parking in the local community.

Approaching Southampton from M3 or M27 direction

Exit M27 at junction 3 onto M271 southbound. Leave at junction 1 and take first exit, signposted Lordshill. At the third roundabout take third exit, signposted A3057 Shirley.

Ordnance Survey Headquarters is approximately 800 m (½ mile) on the right.

On arrival

Call Security at the barrier, then follow signs to the Ordnance Survey Business Centre car park.

Follow the footpath to Reception
