

Business One Special Interest Group

Meeting to be held on 26th February 2008

At **SAP (UK) Ltd, Clockhouse Place, nr Heathrow**

AGENDA

09:30 Registration & Coffee

10:00 Introduction & Welcome

Martin Lewis, Chairman

10:20 Enabling SAP B1 for EDI and B2B Exchanges

Rivermill Ltd processed 600 EDI docs a day using Sage Line 50, which was not up to the job. They implemented SAP Business One and a new CC Connector was written to facilitate the exchange of EDI messages between enabled trading partners. This presentation discusses the initial problems, the solution, and the results of the implementation.

David Robinson
Commerce Connections

11:10 Coffee & Networking

ALL

11:40 Data Import, Export and Access in SAP Business One
