Matthias Wobbe
Meridium

13:00 Lunch & Networking

14:00 Conference Review 2007

Craig Dale
SAP User Group

14:10 Pilkington SAP Best Practice

This will be an overview of how we are using SAP PM to achieve maintenance best practice and what our vision is for the future. This will build on my presentation from the MSM SIG in October last year. I will also demonstrate some of our bespoke transactions in the areas of management of maintenance inventory and continuous shift reporting.
