## SAC Edinburgh: Directions

### Directions for car drivers

These directions are suggested for those who do not know the city particularly well.

#### From the north

Cross the **Forth Road Bridge** and follow signs (left) for M8 and **City Bypass** (not Edinburgh Centre). Turn left at the roundabout - signposted to M8 (also Kirkliston). You will briefly join the M9 which will lead you to the **Newbridge Roundabout**. Follow signs for the bypass (not Edinburgh centre). Take the exit (a few hundred yards after the Newbridge Roundabout) for the M8. Stay on the M8 until the roundabout at the end of the M8 and take the exit signposted **bypass South, Berwick Upon Tweed - A1**. Leave the bypass at the **Straiton Junction** and follow signs (left at first roundabout) for **A701** city centre. Proceed as for all routes, below.

#### From the west

Stay on the M8 until the roundabout at the end of the M8 and take the exit signposted **bypass South, Berwick Upon Tweed - A1**. Leave the bypass at the **Straiton Junction** and follow signs (left at first roundabout) for **A701** city centre. Proceed as for all routes, below.

#### From the A702 or A70

Join the **City Bypass** heading east to **Berwick Upon Tweed - A1**. Leave the bypass at the **Straiton Junction** and follow signs (left at first roundabout) for **A701** city centre. Proceed as for all routes, below.

#### From the south via A68, A7 or A1

Join the **City Bypass** heading west to **Airport/ Forth Road Bridge/ Glasgow**. Leave the bypass at the **Straiton Junction** and follow signs (left at first roundabout) for **A701** city centre. Proceed as for all routes, below.

#### All routes

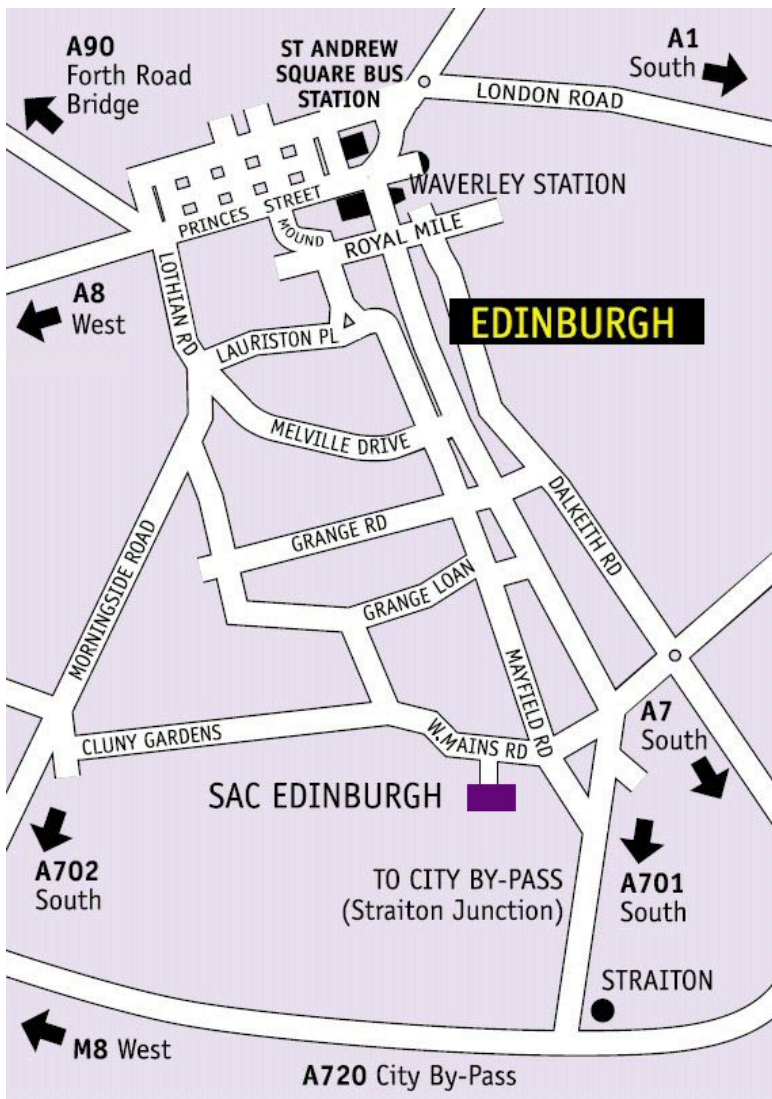

Once on the **A701** to city centre, continue for approximately 3 miles which will take you through 2 sets of traffic lights (and 2 sets of pedestrian lights). At the third set of traffic lights, which are situated at the bottom of a steep slope, take the left hand fork (Liberton Brae). You will pass the **Braidburn Inn** pub on the left, and the first entrance to the **University of Edinburgh's Kings Buildings campus** immediately after. Turn left at the traffic lights, following round with the University campus on your left. Turn left into the second entrance you come to (**Gate 1**), opposite a Saab Garage. Take the second left (in essence carrying straight on, avoiding following the road round to the right). Head towards the building facing you - over the small roundabout. This is the SAC (Peter Wilson) building.
