11:20	<b>Break</b>	All
11:40	<p><b>Life gets busy, Doesn't it?</b></p> <p>We are often too busy to see why we are busy in the first place. Sometimes we might just need to take a step back from busy and see if we can turn busy into productive. Studies have shown that a positive brain is 31% more productive.</p> <p><b>What would you say to one of the following?</b></p> <ul style="list-style-type: none"> <li>• decreased stress • decreased sadness</li> <li>• decreased aggression • increased level in focus</li> <li>• increased happiness • increased compassion</li> <li>• increased positivity and Wellbeing</li> </ul> <p><b>What would you say to having all of them?</b></p> <p>If the answer is "Yes Please" Join Simon Nichols from Thrive for a 20 minute introduction to Mindfulness ahead before lunch for some hints, tips and a practical mindfulness activity. <b>It might not change your life immediately, but it may change the way you think about it.</b></p>	Simon Nichols Thrive
