

Supply Chain Management
SAP Clockhouse Place, Middlesex, TW14 8HD

Tuesday 5th October 2021

AGENDA

09:30	Coffee & Networking	All
10:00	Introduction & Welcome	Richard Symes & Martin Crangle SIG Co-Chairs
10:35	UKISUG Update An update on this year's annual conference and the latest User Group news	Matt Dale UKISUG
10:50	Why would you want to transition from SAP APO to SAP IBP, and what are your options? <ul style="list-style-type: none">• Introduction• Why would you want to transition from SAP APO to SAP IBP?• How can you grow the maturity of your solution and process?• What could be your typical customer journey?• How can Olivehorse help?	Chris Stainthorpe & Ruan van Vuuren Olivehorse
11:30	Coffee & Networking	All
12:00	Detailed Scheduling and Dispatching Trying to use core SAP ECC as the only production scheduling tool. Tackling the little used, and slightly dated functionality to provide detailed capacity driven scheduling for small fast turnaround parts. Using work centres, materials, and dispatching of planned and production orders.	Rachel Morris Boeing
12:45	Comfort Break	All
12:50	Hints & Tips A reminder of the basics for some and unveiling time savers and tricks for others. SAP EEC6 but most compatible with Hana too. Always surprising what you don't know and hopefully an opportunity to open up the floor for other tips from more experienced users.	Rachel Morris Boeing
13:15	Lunch & Networking	All
14:15	What is the business case for S/4HANA enabled Supply Chain transformation? In this session we will discuss the challenges faced by supply chain professionals, IT departments and SAP with respect to S/4 enabled supply chains. Key topics will include: <ul style="list-style-type: none">• Historic (pre-2020) supply chain developments• The impact of the last 20 months events	John Robinson SAP
